

VOLUNTEER with PAHS

Thank you for your interest in volunteering for animal welfare.

We are one of the few humane societies nationwide with no animal shelter.

Instead of managing animals inside of a shelter, we work to keep animals outside of the shelter through innovative programs in education, advocacy and intervention. We also work on behalf of wild animal welfare and farmed animal welfare. Join us as we confront animal issues with fun, passion and commitment.

See our list of volunteer needs on the back of this form.

BE A “CHANGE AGENT” and organize a local advocacy group of your friends to:

- Create letter-writing parties to support humane issues and legislative measures.
- Create Facebook and other social site advocacy networks to sign online petitions and spread the word about PAHS’ identified hot animal welfare topics.
- Organize neighborhood, school, or community fundraisers (garage sales, art sales, etc.!).
- Leaflet and communicate with local businesses in support of our *Humane Planet* program.
- Create a “Humane Ambassador Book Club” to read and discuss the latest information on inhumane issues and the interesting and thought-provoking solutions proposed.
- The options are endless! Let us know your other creative ideas. We supply you with a choice of urgent advocacy issues, information, and any materials you need.

HOST a fundraising table for PAHS.

LABOR is sometimes needed for events or other tasks.

Also, for mature applicants (who are at least 20 years old):

Local rescuers, whom we help, need volunteers to:

- Become a temporary foster parent to rescued homeless cats who are up for adoption.
- Feed feral cat colonies.
- Train and learn TNR (“trap-neuter-return”). This work requires maturity and commitment.
