CRITTER BONDS

Your donation to the Palo Alto Humane Society is an investment in compassion. Gifts will support our programs in public education, advocacy, and the funding of life saving work such as veterinary rehabilitation, animal rescue, and the spaying and neutering of 1,000 homeless animals every year. The Palo Alto Humane Society welcomes, deeply appreciates, and indeed survives on your support. Gift-givers: Look for your authentic PAHS "Critter Bond" in the mail!

100 Years of Compassion

The Palo Alto Humane Society is a 501(c) 3 nonprofit, charitable, volunteer-supported organization. PAHS is one of the few humane societies nationwide with no animal shelter. Instead of managing animals inside a shelter, we work to keep animals out of the shelter through humane programs in intervention, advocacy, and education. For a century, our mission has been to alleviate the suffering of animals, increase public sensitivity to animal issues, and elevate the status of animals in our society.
