## How three rescued dogs found their happy homes

### **Lucy**

Lucy, who was rescued from a breeder, is now eight years old. She is a cute tiny dog who loves to dance, eat, and spin.

When Lucy first arrived at the shelter, she hid in the back of her cage and barely poked her head out of the cage. She was also left on the street twice because of irresponsible owners.

Today, Lucy is very happy with her new owner.

## Jesse

Jesse is 15 years old. One day, his current owner was jogging down the street and met another dog owner who just happened to have Jesse's brother Ben.

Jesse and his brother had a sad past, because they were abandoned and running around in the street. They eventually ended up in the shelter.

Jesse is with a great owner now. Jesse loves playing with his ball, chasing his Frisbee, and taking a good nap.

## Shannon

Shannon is an 11-year old Golden Retriever. She loves watching nature shows and always gets excited seeing other animals on TV. She enjoys eating her food, going for walks, and best of all, watching TV.

One day, when Shannon was walking with her owner, she saw Travis in the bushes, malnourished, cold, and dirty. That is how Travis got rescued.

Today, Shannon and Travis are best friends forever. Travis loves taking flying leaps on couches that can measure from five to six feet high. Travis can never refuse a good tummy rub. His favorite thing is to watch out the window for other dogs.
